The following change is incorporated in contract DTRS57-97-C-00107.

1. Section H, Paragraph H.8 "Hours of Work" is deleted in its entirety and substitute the following:

HOURS OF WORK

Contractor and subcontractor employees performing work under this contract on Volpe Center premises shall adhere to the Volpe Center's established business hours except as may be required by this contract to accomplish the performance of the work, or except as may be required by the Contracting Officer Technical Representative.

When Government employees are, by executive order or by official closing of the Volpe National Transportation Systems Center, excused from duty without loss of pay, Contractor employees who are assigned for duty at the Volpe National Transportation Systems Center will be similarly excused if they are ready, willing and able to work. The cost of salaries and wages to the Contractor for the period of any such excused absence shall be a reimbursable item of cost. Reimbursement shall be on a direct cost basis and shall be considered productive direct labor. This in no way relieves the Contractor of its responsibility for continuing performance of critical requirements. In these cases, special instructions will be issued to the Contractor by the Contracting Officer or designated representative.

Contractor employees assigned to off-site (other than the Volpe Center) Government-provided space will follow the policy governing the Department of Transportation Federal employees where work is being performed.
