

The National SBIR Conference...A World of Opportunities!

The SBIR Program is the largest source of early-stage, small business technology funding in the U.S. providing over 1.6 BILLION dollars during this year. This conference will provide you with valuable information about the program. A new opportunity this year: *The Small Business Tech Expo*. Put your technology, service or partnering opportunity in front of this highly targeted audience.

Help celebrate 100 years of powered flight and the Ohio 3rd Frontier Project!

Conference Focus:

Business Partnerships for Mission Success: Assembling the Pieces

Working with the government and other partners can be like trying to put a big jigsaw puzzle together. You know the pieces are there, but there are so many and many look alike.

Where do you start? Find that missing piece!

The National SBIR/STTR Conference is designed to answer your questions.

Meet the Agencies!!

General program overview will explain the basics of the SBIR/STTR Programs.

Expanded Agency presentations will introduce you to a wide variety of the options available.

Agency representatives will be available the entire conference for One-on-One discussions and support.

Don't miss this opportunity!

Networking Opportunities!

The REAL KEY is one-on-one discussions! In addition to the expanded networking sessions, an extraordinary opportunity has been added this year: *The Small Business Tech Expo*. Special space rental discounts are available to attendees with full registration at the SBIR conference. As an exhibitor or attendee, this is a way to showcase your technology, service or desire to partner for technology development or commercialization. To learn more: www.barayevents.com/sbte or call 360-683-1828.

Bonus Sessions & Workshops!!

NEW! Two post conference *Bonus Sessions, on Compliance Issues and Electronic Submissions* are available to attendees at no additional cost. PLUS, three very popular pre and post conference optional workshops are available:

- Phase I Proposal Preparation
- Phase II Proposal Preparation
- Basic Accounting for Government Contracts/Grants

Workshops require additional fees and conference registration.

Multiple attendee/small business discounts available. For Detailed Conference Information Contact: SBIR Conference Center at 360-683-5742 or email staceyw@dbamlg.com OR visit the SBIR website at:
