

U.S. DOT Volpe Conference Center Room Capacities

Main Conference Room in the Volpe Conference Center

The main conference area includes Rooms 207-211 (larger rooms in the main conference area), and can be used as one, open meeting area for large events, or it can be configured to accommodate attendees in a number of different ways. The full large conference room can accommodate about 600 people in theater-style seating.

Here are the *estimated* seating capacities for each of the different configurations.
