# SECURITY PROCESS

---

## For United States Citizens...

Upon entering the Volpe Center, you must pass through a security screening process. Please place your belongings on the conveyor belt and step through the magnetometer. Present your valid photo identification to the Protective Security Officer (PSO) operating the magnetometer and X-Ray machine.

Effective May 7, 2025, as a federal facility, the Volpe Center is subject to the [REAL ID Act of 2005](#). Our security staff CANNOT accept driver's licenses from non-compliant states and jurisdictions for entry into the facility. Please [review](#) the list prior to arrival. All identification presented must be valid (i.e., unexpired) to gain entrance.

[Enhanced drivers' licenses](#) are accepted from some states; these licenses have "[enhanced driver license](#)" prominently displayed at the top.

Visitors from any of the [non-compliant states or jurisdictions](#) will need an alternate form of identification (e.g., U.S. Passport or PIV card) to be permitted entry into Volpe. Foreign guests must use their passports.

Once you have been cleared by the screening process, proceed to the security desk, and give the Protective Security Officer (PSO) your valid photo identification (e.g., complaint license or passport) as well as the name of your escort. Volpe guests must remain with their escorts for the duration of their visit. You will receive a visitor's badge, which you must always display while onsite at the facility. Return your visitor badge and lanyard to the security desk at the end of your visit. You may not use the same visitor badge for a multi-day visit; proceed to the security desk to obtain a new visitor badge each day of your visit.

## For non-U.S. Citizen Visitors...

International guests and non-U.S. citizens must be cleared for entry to the Volpe Center at least five business days ahead of the event or meeting.

Cleared foreign guests must proceed through the metal detector and bag check. After entering, proceed to the security desk to show identification, which may include:

- Border crossing card
- DHS trusted traveler cards (e.g., Global Entry, NEXUS, SENTRI, FAST)
- U.S. permanent resident card
- U.S. certificate of naturalization or certificate of citizenship
